Custom Says it All!

Company: **JTR & Custom Works Inc.**

Location: **Timmins, Ontario**

Position: **Millwright**

John's Torch Repair & Custom Works Inc. is a growing family business that takes great pride in providing a wide range of services from torch repair to on-site repairs and fabrication. We are committed to maintaining a safe work environment by making safety a priority on every job.

Qualifications Required:

- Successfully completed Millwright Apprenticeship Program
- Minimum 5 years of experience
- Valid Ontario driver's licence

Assets:

- Fall Arrest
- First Aid
- Confined Space Training
- Common Core
- WHMIS

Skills, Abilities and Responsibilities

- Ability to read and interpret blueprints.
- Identify equipment deficiencies and troubleshoot issues.
- Complete repairs and service maintenance work to specifications.
- Comprehensive knowledge of crushers, conveyors, rockbreakers, pumps and piping.
- Able to perform flux-cored arc welding (FCAW) and/or metal arc welding (SMAW).
- Knowledge of safety regulations and safe work procedures.
- Ability to work under pressure to meet deadlines.
- Ability to coach and mentor apprentices.
- Experience in mining industry preferred.

The selected employee will work in the company shop and at client work sites. Work location will be determined by the clients' needs. Hours may vary depending on work load and time of year; selected employee must be willing to work flexible hours.

To apply for the **Millwright** position, please forward your cover letter and resume to Christine Hodgins at info@jtrcustomworks.com or 720 Shirley Street North, Timmins Ontario P4R 0G2.

****The competition will stay open until position is filled.**
